Company Announcement

Mid America Pet Food, Mount Pleasant, Texas, is expanding its October 30, 2023, voluntary recall to include additional pet food products, with Best By Dates before 10/31/24, made at its Mount Pleasant facility, due to the products' potential to be contaminated with *Salmonella*. *Salmonella* can affect animals eating the products, and there is risk to humans from handling contaminated pet products, especially if they have not thoroughly washed their hands after having contact with the products or any surfaces exposed to these products.

Healthy people infected with *Salmonella* should monitor themselves for some or all of the following symptoms: nausea, vomiting, diarrhea or bloody diarrhea, abdominal cramping and fever. Rarely, *Salmonella* can result in more serious ailments, including arterial infections, endocarditis, arthritis, muscle pain, eye irritation, and urinary tract symptoms. Consumers exhibiting these signs after having contact with this product should contact their healthcare providers. Children, the elderly, and individuals with compromised immune systems may be at greater risk of *Salmonella* infection.

Pets with *Salmonella* infections may be lethargic and have diarrhea or bloody diarrhea, fever, and vomiting. Some pets will have may only exhibit decreased appetite, fever, and abdominal pain. Infected but otherwise healthy pets can be carriers and infect other animals or humans. If your pet has consumed the recalled product and has these symptoms, please contact your veterinarian.

Voluntarily recalled brands produced at the Mount Pleasant facility include: Victor Super Premium Dog Foods, Wayne Feeds Dog Food, Eagle Mountain Pet Food, and some Member's Mark varieties with Best By Dates before 10/31/24. Recalled products were distributed to distributors and retailers throughout the United States. The affected products include:

The Best By Date is found on the middle top of the back of each bag. This expanded voluntary recall is being issued due to some of the product lots testing positive for *Salmonella* through random and targeted sampling of finished product, including by the firm and the South Carolina Department of Agriculture

As of November 1, 2023, seven people reported *Salmonella* infections.

Retailers and distributors should immediately pull all product from their inventory and shelves and destroy product. Do not sell or donate the recalled products.

Do not feed the recalled product to pets or any other animals. Destroy the food in a way that children, pets, and wildlife cannot access. Wash and sanitize pet food bowls, cups, and storage containers. Always ensure that you wash and sanitize your hands after handling recalled food or

any utensils that come in contact with recalled food.

Contact Mid America Pet Food Consumer Affairs at 1-888-428-7544 from 8 AM to 11 PM Eastern Standard Time (EST) seven days a week for additional information.

This is a voluntary recall being conducted in cooperation with the U.S. Food and Drug Administration.
